

The startups from Utrecht-based incubator UtrechtInc have collectively raised 687 million euros in funding in 2019, bringing the total of investments in UtrechtInc startups from 2009 - 2019 to 1.6 billion euros. Similar to last year, this milestone is mainly thanks to recent investments in alumni Argen-X and GitLab.

In the meantime UtrechtInc has supported 217 startups, of which 64% is still active or was acquired. These startups have collectively created 2.560 jobs.
